# Interesting Places & Outdoor Spaces

## Veterans Memorial Park & Bicentennial Rose Garden

**A Heartfelt Tribute** • Located west of the RP Funding Center near Lake Beulah, this park is dedicated to those who serve our country and community in the Armed Forces, Law Enforcement, Firefighting, and Emergency Medical Services. A Monument honors James Henry Mills, the only Polk County native to be awarded the Medal of Honor during WWII.

## Munn Park

**Central City Park** • This oasis of green has been a part of the city's landscape since before there was officially a City of Lakeland. Abraham Munn, the park's namesake, was a Louisville, Kentucky businessman who purchased 80 acres of Polk County land sight unseen in 1892. This land became the heart of Lakeland, the center of which is Munn Park.

## Florida Southern College

**Frank Lloyd Wright Architecture** • Florida Southern College has the largest concentration of Frank Lloyd Wright - designed structures anywhere in the world. Guided & self-paced tours are available at the welcome center: 750 Frank Lloyd Wright Way. flsouthern.edu

## Lemon Street Promenade

**A Shady Place to Take a Stroll** • This calm, green space stretching from South Florida Avenue to Massachusetts Avenue has seating and is home to the Florida Outdoor Sculpture Competition winners. New sculptures are installed every Spring.

## Lake Morton

**Lake Morton Bird Sanctuary** • In 1954, Queen Elizabeth graciously donated a pair of mute swans from Richard the Lion-Hearted's flock to the City of Lakeland. The swans, ducks, geese, and other wildlife that now call Lake Morton home enjoy visitors feeding them fresh lettuce or the food provided in the dispensers stationed around the lake. Please do not feed bread or other carbohydrates to the birds.

# Lake Mirror Park

## Frances Langford Promenade at Lake Mirror

**Lake Mirror Historic Tour** • This free, guided tour uses the Promenade and Lake Mirror as a backdrop for the intriguing history of Lakeland. Lake Mirror Park was recently voted one of the 10 great public spaces in the United States. Come see for yourself! 4<sup>th</sup> Tuesday of each month. Call 863.834.2280 for reservations and information.

## Barnett Family Park

**A Local Favorite** • Located at the top of the Lake Mirror Amphitheater, Barnett Family Park includes a splash pad water feature, two playgrounds (including the Sunflower Preschool Playground), a labyrinth, a covered picnic area, restrooms, and a multipurpose field.

## Sunflower Preschool Playground

**Shady Fun for the Little Ones** • Part of Barnett Family Park, this separate playground is designed specifically for children ages 3–5. The equipment helps the little ones develop coordinated motion, balance, and climbing skills. It even includes an area to park strollers.

## Hollis Garden

**Lakefront Botanical Garden** • This manicured beauty boasts more than 10,000 flowers, beautiful fountains, and a picturesque view of Lake Mirror. Music actually plays as you drift through the rose garden, butterfly trail, and down a grand staircase of neoclassical design. When you find yourself gazing over lovely Lake Mirror, you'll be grateful you thought to bring your camera.

## Public Art

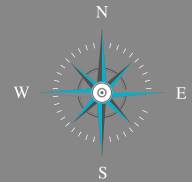

**Outdoor exhibits** • Enjoy a self-guided walking or biking tour of Downtown's outdoor public art found in Munn Park, the Lemon Street Promenade, the Curtis Peterson State Building, and around Lake Mirror. Locations of each piece along with the artist's name can be found on the map in this guide.
