

Tasty Tuesday is a self-guided tasting event every third Tuesday of the month. Present a ticket for the sample at each business. (You can use more than one ticket per location if you choose.) Please take your samples TOGO unless you plan to order additional food or beverage to enjoy with your sample. If you do sit down to enjoy your sample, please be sure to tip your server.

Enjoy live music in Munn Park! Tables and chairs are provided in the park for you to enjoy your samples while listening to live music.

See the attached map for business locations.
